RESOLVED to confirm the Minutes of the AGM held on 06-Feb-2010 at Hotel Jaypee Palace, Agra. Proposed by Brig Rautray and seconded by Prof Narendra Bhandari.
 5. **Matters arising from the Minutes:** **AGM 05/2011**

Dr Hari Bhai L Patel pointed out that he had conveyed his resentment about the withdrawal of the suspension of Dr JG Lalmalani in his letter dated 25.03.2010 addressed to the President-USI. The President-USI described the sequence of events that culminated in the withdrawal of the letter of suspension, and he requested that we should not re-invent the wheel again and we let matter rest as they are. After a detailed discussion, it was decided that no further action be initiated in this matter.

Dr Deepak Dubey pointed out that the Meeting of SIU-INS should not have been held at the premises of the USICON-2011 on 21-Jan-2011. The President-USI explained in detail the sequence of events. The National Delegate of the SIU-INS had requested permission to hold the scientific meeting for one hour where Prof JW Thuroff [President-SIU] was a speaker. The President-USI gave permission to the National Delegate of SIU-INS to hold its scientific meeting for one hour on 21-Jan-2011 and specifically instructed not to hold the Business Meeting of the SIU-INS along with the scientific meeting. However after the sta of the scientific meeting of the SIU-INS, Prof JW Thuroff [President-SIU] called for Nominations for the National and Deputy National Delegates of the SIU-INS. This was not in order as the proper procedure for elections and inviting nominations were not followed. This was followed by an unpleasant scene with exchange of arguments and unparliamentarily comments, violating the decorum of the meeting.
 6. **Proposals for Amendment of the USI Constitution [Ref: AGM-22/2010] :** **AGM-06/2011**
The President-USI reported that proposals were invited from members for the amendment of the USI Constitution. All the proposals were compiled by the President-Elect, published and circulated in the USI Newsletter according to the statutory requirement. The President-USI read out the entire existing constitution and the proposed amendments, and they were discussed in detail. RESOLVED to approve the Proposals for the Amendment of the Constitution [Annexure-I]. The President USI informed the house that there had been a technical oversight in amending the

Constitution over the years. The Registration of Societies Act 1860 stipulates that all constitutional amendments must be passed by 3/5 majority in the General Body and must be notified to the Registrar of Societies. While several amendments have been passed by the GB over the years, these have never been communicated to the Registrar and are therefore inoperative.

He proposed that all amendments already made over the years should be considered as passed by 3/5 majority and presented to the Registrar as such.

Fresh amendments were invited from members. They have been compiled by the President-Elect, published and circulated in the USI Newsletter according to the statutory requirement and have been discussed at the Governing Council meeting. Each amendment was discussed in detail. The following amendments were modified/rejected by the General Body:

Amendment to para 7 (e) : It was decided that this should not be passed and the legal cell should deliberate on the matter of suspension of members and opine.

Amendment to para 7(f) : Decision deferred. To be taken up at next GBM

Amendment to para 8 : Membership fees to be changed on recommendation of the Governing Council and ratified by the General Body in future

Amendment to para 13 (v) : there was heated debate on this proposal and after show of hands and physical counting of voters had failed to satisfy members, a secret ballot was conducted. As 75 members were in favour and 61 against, the amendment was rejected and status quo will be maintained.

The finally approved amendments are appended as Annexure A

7. Honorary Secretary's Report:

AGM-07/2011

The Honorary Secretary's report was published in the USI Newsletter Jan-2011 Issue [Supplement] and the excerpts were also read out at the Inaugural Function of the USICON-2011.

RESOLVED to accept the Report with appreciation.

Dr SS Joshi pointed out that as the Hon Secretary's report had already been published, it was improper to read it out in the Inaugural Meeting of the USI. It was resolved that the Secretary will not read out his report in future Inaugural ceremonies of the USI

8. Honorary Treasurer's Report:

AGM-08/2011

Dr Madhu Agrawal, Honorary Treasurer-USI, presented the Treasurer's Report, Statement of Accounts & Balance Sheet for the FY 2009-2010. The same was also published in the USI Newsletter Jan-2011 Issue [Supplement].

The Hon Treasurer complimented the Editor Indian Journal of Urology for making the Journal financially self-sufficient and in fact showing a small profit. He thanked Dr Reddy's Lab for their financial support to the newsletter and educational activities of the USI and Olympus Medical Systems India for their gracious financial contribution to the USI-OMSI travel fellowship.

The Hon Treasurer also announced that the Organising Committee of USICON 2019 Agra had donated a sum of Rs 12.5 Lakhs to USI and Rs 12.5 Lakh to NZUSI.

RESOLVED to accept the Report with appreciation.

9. Approval of New Members:

AGM-09/2011

The Honorary Treasurer recommended the above mentioned list of:

- a. New Applications for Associate Membership [152].
- b. Associate Members converted to Full Members [36].
- c. New Applications for Full Membership [56].

RESOLVED to approve and ratify the various categories of Membership Applications.

10. Report on the 45th Annual Conference of the Urological Society of India [USICON-2012] to be held at Bangalore:

AGM-10/2011

Dr D Ramesh [Secretary-Organizing Committee] and Dr R Shivshankar [Chairman-organizing

Committee] presented a report of the arrangements being made for the USICON-2012 to be held at the Bangalore International Exhibition Center [BIEC], Bangalore on 05-08 January-2012. The President & the President-Elect had inspected the venue of the USICON-2012 and found the infra-structure and arrangements adequate.

11. Report on the 46th Annual Conference of the Urological Society of India [USICON-2013] to be held at Pune: AGM-11/2011

Dr Sanjay Date [Secretary-Organizing Committee] & Dr SB Kulkarni [Chairman-Organizing Committee] presented a report of the various arrangements for the Conference. The venue will be the International Convention Center of the Marriott Hotel at Pune. Dates: 23-27 January-2013. Members expressed concern regarding the dates clashing with Republic Day celebrations. It was felt that security measures at various airports would make travelling difficult. The Organising Committee was requested to consider revising the dates well in advance.

12. Venue for USICON-2014: AGM-12/2011

The President-USI reported that New Delhi, Chandigarh, Amritsar and Srinagar were the contenders for the 47th Annual Conference of the Urological Society of India [USICON-2014]; the AGM of the NZ-USI had voted in favor of New Delhi as the venue for USICON-2014. Members felt that the decision of the Zone must be accepted and New Delhi was unanimously selected as the venue.

The Delhi Urological Society [DUS] will host the USICON-2014 and the DUS will recommend the names of the Chairman and Secretary of the Organizing Committee for USICON-2014.

13. Election of Office Bearer for 2010-2011: AGM-13/2010

The President Elect [Dr PB Singh] who was the Election Officer conducted the Elections for the various Posts on 23-Jan-2011. The polling was held between 1000 AM and 0700 PM at the Polling Booths at the USI Office located outside the Auditorium. The following Members were declared elected to the various Posts:

17. Report of USI Cells (PDAP, Services Cell, Legal Cell, Research Cell & Education Cell):

AGM-17/2011

The President made special mention of the activities of the Education cell and richly commended the hard work put in by the Convenor, Dr Umesh Oza and co-convenor, Dr JG Lalmalani. He explained the reason behind elevation of the Education Cell to Board of Education and called upon the Chairman-Elect, Dr Joseph Thomas to enlarge the scope of its activities. He stressed the need to make the Board autonomous, to allow it to frame its own guidelines, to work towards members' education and accreditation in the future.

The President USI informed the house that Maharashtra Medical Council had allotted credit hours to USICON for the first time and thanked Dr Umesh Oza and Dr Gaurang Shah for their efforts to make this possible.

Dr Umesh Oza presented the activities of the Education Cell.

Dr Rajeev Sood made a presentation of the PDAP programme. After the pilot project conducted at New Delhi, a phase II programme of epidemiological studies would be started soon in conjunction with Preventive & Social medicine professionals, statisticians and officials of the health Ministry. The house recommended that Dr Ajay Kumar be included in preparing the approach paper and in enlisting the support and participation of the IMA in activities of PDAP.

There was no activity to report by the Legal Cell and Services Cell.

Dr PVLN Murthy made a brief report on the research project initiated by him

18. Report of the Ethics Committee:

AGM-18/2011

The President-USI reported that the Ethics Committee had nothing to report.

19. Matters pertaining to the IJU:

AGM-19/2011

The President-USI reported that the following decisions were reported to the GCM of 21-Jan-2011 and recommended to the AGM for ratification:

- a. The International visibility of the IJU has increased. The publication of the IJU has become financially viable and it is not a burden on the Urological Society of India.
- b. Members who wish to receive the hard copy of the Journal must register specifically for this facility; otherwise all members will receive the online version of the IJU.
- c. A Half-day Workshop/Instructional Course on "Medical Writing" will be held by the IJU along with the USI-AUA Annual Review Course every year.
- d. The new Editorial Committee Members are: Rajesh Ahlawat [New Delhi], Pranjali Modi [Ahmedabad], RB Sabnis [Nadiad], Hemant Tongoankar [Mumbai], RB Nerli [Belgaum] & Sanjay Sinha [Hyderabad].
- e. Arabind Panda [Vellore] has been appointed as Associate Editor.
- f. The Contract with the Medknow will be renewed.
- g. The BJUI continues to be International Journal of the USI and he would write to Nicola Quinn and the Editor-BJUI and report back to the next GCM.

20. Awards for 2010-2011:

AGM-20/2011

The Nomination Committee recommended the following Awards for the year 2011-2012 and they have been approved by the GCM of the 21-Jan-2011. The President-USI reported that the "Himadri Sarkar Memorial Oration" is traditionally awarded to the Immediate Past President-USI. He suggested that it should be awarded to an Urologist who has made significant contribution to the specialty of Urology and it does not have to be to the Immediate Past President-USI. This eligibility criterion for this Award is already there. He further suggested that

the Nomination Committee should bestow this Award to the most suitable person and it does not have to be the Immediate Past President-USI. In view of this the Award of the “Himadri Sarkar Memorial Oration 2012” has been deferred to a later date.

1. **Urology Gold Medal 2012**

The following excerpts of the Previous Minutes were considered by the Nomination Committee:

- a) Minutes of the Annual Council Meeting of the USI held on 17-Jan-2001 held at Hotel Center Point, Nagpur: Section 21 [b]: “Office Bearers of the USI should not offer themselves for any Award / Prize / Convener for Symposium / Guest Lectures while they are in Office. The names of the Office Bearers and Members of the Council of the USI will not be considered for Awards and Prizes during their tenure”.
- b) Minutes of the General Body Meeting of the 34th Annual Conference of the Urological Society of India held on 20-Jan-2001 at 0500 PM at the Dr Vasantrya Deshpande Hall, Nagpur: Section 18: [i]: “The general body approved the recommendation of the Council that the names of the Office Bearers and Members of the Council will not be considered for Awards and Prizes during their tenure. However, they will continue to take part in the academic activities of the Society”.

21. Board of Education:

AGM-21/2011

The President-USI reported that the Governing Council had appointed Dr Joseph Thomas, Professor & Head, Department of Urology, Kasturba Medical College & Hospital, Manipal, as the Chairman of the Board of Education on a three year term with effect from 14-November-2010. Dr Joseph Thomas would function as Chairman-Elect, Board of Education, till the USICON-2012 and he will work in close association with Dr Umesh Oza, Convener-Education

Cell. Dr Umesh Oza will complete his term as Convener-Education at USICON-2012. The Chairman of the BOE was authorized to select his team for the BOE. RESOLVED to ratify the appointment of the Chairman of the Board of Education.

- 22. MoU with OMSI for USI-Olympus International Travel Fellowships: AGM-22/2011**
The President-USI reported that he had executed a MoU [Annexure] with Mr Tom Omori [Country Head-OMSI] to support the USI International Travel Fellowship for three years starting from 2010 through an educational grant of Rs 10.00 Lacs per year. The Travel Fellowships will be known as the "USI-Olympus International Travel Fellowships". Members commended the efforts of the President-USI to initiate this agreement.
- 23. MoU with JPAC: AGM-23/2011**
The President-USI reported that since the last AGM, he has been in contact with Dr MR Desai to reconsider his decision to withdraw the Association of JPAC with USI (vide Dr MR Desai's letter addressed to the President-USI dated 25-Jan-2009) and requested him to continue the affiliation/association of the JPAC with the USI with an MoU that was executed between the President-USI and Dr MR Desai to cement this relationship.
- 24. MoU with NAUS: AGM-24/2011**
The President-USI reported that Dr JL Baidya, President-NAUS (Nepal Association of Urological Surgeons), had requested for collaboration/association with the USI. Being members of the SAARC Nations, Urologists from Nepal are eligible to be affiliate members of the USI. The President and Secretary of the USI interacted with the NAUS and explored ways of further bonding in strengthening academic and educational activities. The President-USI and the President-NAUS executed a MoU on 14-November-2010 to augment academic and educational activities between the two societies.
- 25. International Travel Fellowships-2010 for PGs: AGM-25/2011**
Dr Umesh Oza, Convenor-Education Cell, reported that the following International Travel Fellowships are available for the Final Year DNB & MCh Post-Graduate Residents. The selection process was based on their CV, an MCQ test and an Interview held during the USICON-2011 at Kolkata.
- USI-AUA Resident Scholar Program for AUA-2011 at Washington DC (4 Nos).
 - BAUS-2011 at Manchester (10 Nos).
 - USI-EAU Resident Scholar Program for EUREP-2011 at Prague (7 Nos).
 - USI-UAA Travel Fellowship to ASU Singapore (2 Nos).
 - USI-UAA Travel Fellowship for the Urological Society of Australia & New Zealand (USANZ) Trainee week at Perth (1 Nos).
- 26. Letters from USI Members: AGM-26/2011**
- Letters from JG Lalmalani:
 - Letter dated 16-Jan-2011 [Dr PP Rao: Another member of the "Indian Urologists" coterie].
 - Letter dated 15-Jan-2011 [3rd Letter from Cyber Crime: "Indian Urologists" Emails from Muljibhai Patel Urological Hospital].
 - Letter dated 09-Jan-2011 [WCE 2004 - Dr Mahesh Desai's Affidavit in Nadiad Court].
 - Letter dated 23-Dec-2010 [Recovery of funds of the USI due from JPAC on Account of the WCE 2004].
 - Letter dated 17-Oct-2010 [Funds due from Dr Mahesh Desai from WCE 2004 profits].
 - Letter dated 28-Sep-2010 [Cyber Crime Report on identity of "Indian Urologists"].

During the course of the AGM, JG Lalmalani verbally communicated to the President-USI that he does not wish to have the above mentioned letters discussed at the AGM. These letters were not discussed.

- b) Letters dated 16-Oct-2010, 18-Oct-2010 & 22-Oct-2010 from Prof P Venugopal about the Membership Status of Dr Ketan Desai:

The President-USI reported that the Board of Governors in supersession of the Medical Council of India had suspended the medical registration of Dr Ketan Desai in the light of the recent allegations against him. According to the USI Constitution, the eligibility criterion for membership of the USI is that he/she has to be a registered medical practitioner. A show cause notice was sent to Dr Ketan Desai and there was no response. Members pointed out that the Gujarat Medical Council had not taken any action, the Gujarat University had elected him to the Senate and Dr Ketan Desai has been reinstated as the Dean of the Medical Faculty. Health is a state subject and Dr Desai continues to practice modern medicine in Gujarat. This matter was discussed at the GCM held on 21-Jan-2011 where members pointed out that there was still some ambiguity in the matter as the Gujarat Medical Council had not cancelled his medical registration. After a detailed discussion, it was RESOLVED that status quo be maintained till further clarification was available.

- c) Letter dated 23-Jan-2011 from Prof Percy Chibber regarding the increasing numbers of overseas speakers for the Plenary Session & starting online CME on the USI web site:

The President-USI quoted excerpts of this letter, "there are an increasing number of obligatory foreign speakers representing the AUA, EAU, SIU, UAA and the BJUI. This takes away the prime time in the Plenary Sessions. The Sub-specialty Sections were pushed away to the 0700-0900 AM slots where the attendance was poor. Online CME Sessions may be started on the web site and credit points can be awarded. The President-USI suggested that the Governing Council should look into these suggestions.

- d) Letter dated 01-Dec-2010 from PP Rao regarding "the last megashow of the year 2010 in Urology at Medicity Medanta, Gurgaon":

PP Rao had pointed out in his letter that meetings and workshops were continued to be held within two months of the USICON in spite of strict guidelines from the AGM last year. NP Gupta [Past President-USI] had organized this workshop and the brochure displayed that the President-Elect and Honorary Treasurer were part of the scientific program. The President-USI reassured that the Governing Council will reiterate the guidelines for holding of scientific programs, workshops and conferences by USI members.

27. Any other matters with permission of the Chair:

- a) It was intimated by Dr Ganesh Gopalakrishnan and Dr Keshavmurthy that the family of the Late Prof HS Bhat were keen to donate for an oration named after him, to be read at the USICON. President USI opined that the present programme grid did not allow for any more named orations and requested the proposers to consider an existing award to be named after the illustrious teacher. Dr G Gopalakrishnan agreed to look into the matter of instituting a 2-week International member Travel Fellowship named after Prof Bhat.
- b) Dr PP Rao and Dr Date asked why the USI was concentrating solely on Residents' training programmes when postgraduate teaching was primarily the responsibility of teaching institutions. They pointed out that CUEs were poorly attended by residents and were eating into time for scientific activities of members. The President USI informed the house that he had already tasked the Board of Education with starting teaching activities for middle level and even senior level members in the future.

28. Vote of Thanks:

AGM-27/2011

The AGM was adjourned after the President-USI delivered the vote of thanks. The President thanked all the members for their participation, support and encouragement.

Dr SV Kotwal,
President-USI.

Dr Kim Mammen,
Secretary-USI.

Treasurer Report

Friends,

Greetings from the city of the Taj!

It is my pleasant duty to inform you that our society is in robust health, with its membership and financial assets growing at a healthy rate. The total membership of USI has grown from 1800 to more than 2400 members, an increase of 33% in the last two years. The total assets of USI now stand at Rs 3.48 Lakhs a significant rise from Rs 2.75 Lakhs in April 2009.

The long-standing dream of establishing a permanent office for USI has been fulfilled, thanks largely to the contribution from Prof N P Gupta from the savings from the ACU. The central office is fully functional now and all the activities of USI will be carried out from the new office. You can visit the website of USI www.usi.org.in for details about the central office.

At the USICON 2012, you'll receive the new members' directory complete with photographs (please mail yours if it is missing) in addition to the usual updated details, painstakingly collected by the Directory Editor Dr Amit Ghose. You can also log onto the USI website not only to browse the details, but also to update your information, using your membership number as the log-in id, and the password mailed to you earlier (you can requisition it through the website if needed).

You are requested to invite all your expatriate urologist friends to avail the specially subsidized one-time life membership fee join the USI as International members. We are actively pursuing this objective by approaching all Urologists of Indian origin settled abroad.

I thank the President Prof P B Singh, Hon Secretary Prof S K Singh, and all the Council members for their help and support in the past year. I would also like to thank Mr Navneet Arora for taking care of the central office of USI, and Mr Rahul Sabbarwal for looking after the treasurer's office, with extreme dedication and efficiency.

Looking forward to see you at USICON 2012, Bengaluru,

Dr Prof Madhu S Agrawal

Annual Report of the Honorary Secretary

Respected President, Past Presidents of the USI, Senior Teachers, My dear Colleagues and Friends

I am grateful to the members of the Urological Society of India for entrusting me the responsibility of Honorary Secretary of USI. The year 2011 has been eventful. Two CME / Workshop were organized under the aegis of USI. Besides the zonal annual meetings, various CME / Workshops were conducted under the aegis of the Zonal Chapters. USI also participated in scientific program during Annual Meetings of EAU and AUA.

URODYNAMICS WORKSHOP, New Delhi

The Department of Urology organized the International Workshop & Instructional Course in Urodynamics on 12th & 13th March 2011 at Sir Ganga Ram Hospital, New Delhi. This workshop was recognized by the International Incontinence Society and the Urological Society of India. The workshop was attended by over 110 international & national delegates.

The workshop consisted of live transmission of cases from the operation theatre to the auditorium, faculty lectures, case discussions, interactive sessions & lively debates. Patients with difficult urinary problems underwent urodynamics evaluation and their further management was discussed. Urologists from as far as Manipal, Pondicherry, Patna, Surat & Nepal intermingled with faculty from India and abroad.

Dr. Ajay Singla at Wayne Medical University Detroit, USA and Ranan Dasgupta from Imperial College, London were the visiting international faculty. Dr. Rakesh Kapoor, Head of Department SGPGIMS, Lucknow, Dr. Shirish Yande, Pune, Dr. Sanjay Sinha, Hyderabad and Dr. Mayank Mohan Agarwal, Chandigarh were the invited national faculty. The participants were awarded certificates at the end of the workshop.

The efforts made by Dr. Manu Gupta, Organizing Secretary for making this workshop were commendable.

PDAP, New Delhi

PDAP awareness week was celebrated in the first week of April 2011. It was inaugurated by Prof. P B Singh, President USI. Past president Dr S V Kotwal and President Prof P B Singh in their message have shown concern regarding the fruitfulness and future line of action about this program.

RIRS WORKSHOP, Panipat

A 2-Days workshop on Retrograde Intrarenal Surgery (RIRS) was organized by Urological Society of India on 27th & 28th April 2011 at R P Stone Clinic, Panipat. The workshop was attended by more than 150 participants from all over India, UAE, Sri Lanka & Nepal. Dr. PB Singh, the President-USI inaugurated the workshop. RIRS procedures on 7 patients were demonstrated live by Dr. Andreas Gross and by Dr. Pawan Gupta. Great debate on PCNL versus RIRS was conducted by Dr. Madhu S. Agrawal & Dr. Pawan Gupta. There were fifteen deliberations by the Faculty on different aspects of RIRS. A souvenir was released by Dr. P. B. Singh and a Video CD on the Intrarenal Anatomy by Dr. Pawan Gupta was released by Dr. S. K. Singh. The other faculty included Dr. Mahesh Desai, Dr. S. V. Kotwal, Dr. N. P. Gupta, Dr. P. B. Singh, Prof. S. K. Singh, Prof. J N Kulkarni, Dr. Umesh Oza, Prof. P. N. Dogra, Dr. Madhu S. Agrawal, Dr. S. K. Pal, and Dr. B.K. Sinha & Dr. R. K. Karwasra. WZUSICON 2011, Goa, 15- 18 September, Hotel Holiday Inn.

WZUSICON, Goa was an event that will stay in the memories of all delegates for a long time. Goa has

been a very popular venue and this was the 5th WZUSICON in Goa since the inception of the zonal chapters of USI. This meeting had the largest number of delegates for a WZUSICON - 510, the largest number of delegates from other zones and the largest number of International faculty -3.

The inaugural evening was held in great style and a full house was witness to a grand moment when Dr Umesh Oza and Dr Vivek Joshi were honored with the Urology Gold medal and the Urology Services award respectively. The Key note address delivered by Shri Dilip Dondelon solo circumnavigation of earth in a sailboat was indeed inspiring. It was amazing to see not only children but many seniors queued up for a snap with the humble, modest but a great personality. This set the tone for the entire conference which from thereon was an academician's delight. Dr Theo de Reijke , Consultant Uro-oncologist – Amsterdam, Dr Peter Rehder, Reconstructive Urologist, Innsbruck and Dr Geert Taily, Consultant Endourologist, Antwerp were the invited International faculty.

A sensational start with the Conference Symposium - **Urology in Cyberspace** moderated by Dr Pradeep Rao had the audience asking for more. Thereafter was unleashed a series of thought provoking orations, debates, panel discussions, talk shows, and a record number of free papers, videos and posters. Not only were all the sessions very well attended, the contents and the variety of intense clinical material kept all the delegates spellbound. A regular feature- Know your Guru saw The Talented and Suave Dr Madhav Kamat bestowed with this honor amidst cheers and applause from the entire gathering. Equally enthralling were the performances by a group of talented children from Goa- and Avanti Patel from Mumbai.

This evening was dedicated to the six Past Presidents of USI from the West Zone viz: Dr A G Phadke, Dr S S Joshi, Dr S S Bapat, Dr S D Bapat, Dr M H Kamat and Dr M R Desai. It was a touching moment to see Dr Jayesh Kudchadkar and his eleven (Organizing team) along with the President- USI , Dr P B Singh, Hon Secretary USI Dr S K Singh , Hon. Treasurer USI - Dr Madhu S Agrawal accompanied by the entire gathering raise a toast to these great stalwarts and acknowledge their valuable contribution in Urology.

The efforts of the scientific team headed by Dr Shailesh Shah, President USI- West Zone and the entire council was acknowledged by all Seniors and our National Treasurer Dr Madhu S Agrawal admitted, The West Zone conferences are one of the best of all zonal conferences. Certainly WZUSICON held at Goa, 2011 has left a mark which will be an upheaval task for us to match in times to come. The Organizing Committee specially Dr. Jayesh Kudchadkar and the Hon. Secretary WZC, Dr. Anil Bradoo did an excellent job.

NZUSICON 2011, Shimla, 8th-10th October, 2011: Hotel Peterhof

The 21st Annual Meeting of the North Zone Chapter, Urological Society of India was held from 8th-10th October, 2011 at Hotel Peterhof, Shimla. The meeting was organized by the Department of Urology, Indira Gandhi Medical College, Shimla with Dr ML Dhar as the Organizing Chairman and Dr Pamposh Raina as the Organizing Secretary.

The pre-conference workshop began at 8 AM on Saturday, 8th October. The theme of the workshop was 'Back to Basics' and the first two sessions were devoted to discussing the basics of performing a PCNL and TURP/TURBT. Speakers in both these sessions presented the elementary steps in performing these operations and discussed common problems. The two-hour sessions were followed by a live operative workshop with two way communication from 4 operation theaters in IGMC to the main Hall in Hotel Peterhof. 11 surgical procedures were demonstrated, focusing on basic steps of TURP, TURBT and PCNL. In addition, laser procedures for prostate surgery were also demonstrated. The operative workshop was followed by a one-hour session on allied specialties where essential requirements such as radiation protection, functional study before stone surgery and ATT were discussed.

The conference was inaugurated by Dr SK Sharma, Past President USI and NZUSI with Principal, IGMC Shimla being the special guest. All speakers at the inauguration stressed the need for greater participation by members in order to gain maximal benefit from the proceedings. The inauguration was followed by a social program and dinner.

On the first day of the main conference, the Dr PN Kataria Memorial Oration was delivered by Dr Madhu Agarwal of Agra who spoke on 'Endourology: the way forward'. Dr Anant Kumar of New Delhi delivered the Marudhara Jodhpur Trust Oration titled 'Nephron sparing surgery: evolving journey'. A new session on Evidence Based Medicine saw 2 presentations on 'Antenatal Hydronephrosis: When to intervene?' and 'Neoadjuvant chemotherapy for Carcinoma Bladder'. The speakers distilled the existing literature on these subjects and presented a balanced view of the controversies. The sessions were much appreciated. The debate on Ileal conduit is the diversion of choice for Indian patients was evenly contested. In the evening, another novel session on Clinical Decision Making was chaired by Prof. NP Gupta with residents presenting 4 cases for the opinion of the house and an expert panel.

Day-2 of the conference included an interesting Progress session by post-graduate students who highlighted some of the important published papers from world literature in the previous year and provided critical appraisal of these papers. The symposium on Uro-gynaecological fistulae and their management included presentations on all types of such fistulae. The symposium was followed by another innovation, the take home messages where three speakers gave a 10 minute summary of important aspects of all presentations during the conference.

Over 75 abstracts were presented in various formats during the meeting. A number of new sessions were introduced and the entire program was run to clock-like punctuality.

The delegates appreciated the efforts of Hon. Secretary NZC, Dr. Rajeev Kumar for revamping the scientific program and of Dr. Pamposh Raina for organizing the conference.

EPILOGUE:

The USI has become a strong organization totally committed to academic and educational activities of the Urologists of our country. The central office is now effectively working and all the activities of the secretariat are being taken up at the HQ. It has been a pleasure working as a team with the Office Bearers of USI, President, President-Elect and the Honorary Treasurer, all the Governing Council Members and the officials of the central office specially Mr. Navneet Arora. The assistance, support and the co-operation provided by the Office bearers of the Zonal Chapters has been of immense value in advancing the knowledge and learning. The encouragement and guidance by our honorable Senior members were of great help in execution of my duties. I do acknowledge the fruitful suggestions and constructive criticism from the members including residents pursuing their Post-doctoral course in Urology. I am thankful to the members for having allowed the members of the Council of USI to apply their mind and proceed the way they felt appropriate for the well-being and the progress of the society, USI.
