

MASTERCLASS IN MINIMALLY-INVASIVE ENDOUROLOGY MIE-2018

15th April 2018, Sunday
Global Rainbow Healthcare, Agra

Dear Member,

Greetings from the Board of Education (BOE) – USI!

We invite you to attend a ‘Masterclass on Minimally-Invasive Endourology’ (MIE-2018), a Live Workshop with Webcast, being held under the aegis of Board of Education (BOE) – USI, on 15th April 2018, Sunday, at Centre for Minimally-Invasive Endourology, Global Rainbow Healthcare, Agra.

The workshop will include live demonstration and ‘how-I-do-it’ sessions, and will cover the basics of PCNL (with special emphasis on accurate access), new advances in the technique of Minimally-Invasive PCNL, flexible Ureteroscopy (RIRS), and Bipolar TURIS. There will be demonstration of the ‘PCNL Simulator’ which is radiation-free, with hands-on experience to the attendees.

The invited faculty includes some of the best known international experts in Endourology from across India. This will be a wonderful opportunity for the participants to get familiar with the nuances of advanced endourological procedures and will be a useful experience for beginners as well as people desirous of learning the advanced techniques.
